

Fox Run Parent Council Minutes

May 24, 2018

Meeting called to order at 7:05pm

Minutes from April's PAC meeting were accepted by Sarah Abram and seconded by Ann.

May's Agenda was accepted by Ann and seconded by Sarah.

60 min Fundraiser challenge: This popcorn fundraiser made \$5600.00. After a discussion from the feedback from the lady, it was agreed that the school and staff will try to pump up the students for the next event. There were also some communication issues with the lady and PAC that will be rectified for next year.

Casino money spending ideas: Some ideas for the money include tables and benches outside, more outdoor games and bus security. It was motioned to spend \$10 000.00 on this, and save \$10 000.00 to be spent on an artist in residency program.

Board Highlights from Joanne Matejka: She was encouraging people to fill out transportation questionnaire even if your student does not take the bus. Trustee was impressed with education minister when he spoke at a meeting she attended. Alberta School Board Association meeting is coming up.

Jenn motioned to accept proposal of \$115.00 for the French immersion students to attend a French movie in Red Deer. Ann seconded this.
