

GRADE EIGHT SUPPLY LIST for 2021/2022

The following is a start-up supply list for students entering into grade eight. More supplies may need to be purchased throughout the year as required.

Recommended:

- 1 stick of DEODORANT (using deodorant for PE class is a good idea)
- 1 CHROMEBOOK**

(Any brand; any price - but please try to get one with at least 4GB of RAM)**

Fox Run is working hard to prepare our students for high school and beyond. With student-owned devices and school-owned Chromebooks, we have almost achieved a 1-1 ratio of technology to students in our building over the last couple of years. We would like to focus our students on maximizing their time with technology, while minimizing financial impacts on our families and our school, to ensure that any screen time is effective learning time. Chromebooks are tech. devices that will allow students this opportunity, both inside school and at home, and they are relatively inexpensive (\$170-\$350 each). For families that cannot afford a device we are hoping to be able to accommodate these needs with the approximately 220 Chromebooks that we will have in the building. Please know that it is not our intention to place **any financial burden on any of our families. If you have any questions please don't hesitate to contact Mr. Rattray at: drattray@cesd73.ca

** Helpful locations to purchase a Chromebook:

- Staples - Red Deer - best 4 year warranty!
- Best Buy - Red Deer (www.bestbuy.ca) or 403-314-5645
