

H2O Homework Helper Course Outline

S. Martinek

School phone: (403) 887- 0491

Email: smartinek@cesd73.ca

Complementary: H2O (Homework, Help and Opportunities)

Driving Question: Who am I as a Learner?

Course Description:

H2O is an opportunity for students to develop study skills to help them to achieve goals in the academic classroom. Students bring work from their classes to work on during the complementary class. The environment in the classroom allows students to focus on homework, organization of binders/lockers and learn some study tips to help them be better learners.

Career Possibilities: Business

Activities

- **Have time to work on any incomplete/ongoing assignments**
- **Get assistance from the teacher/EA on classroom work**
- **Be provided with extra work to reinforce/practice difficult concepts**
- **Look at strategies to improve classroom learning**
- **Look at strategies to assist with taking quizzes/ tests**
- **Receive help with organizational skills**
- **Have time to organize binder & personal resources**

Supplies

Students are expected to bring the following supplies to class during this course:

- Binder & personal supplies
- Agenda
- Personal reading book
- Any assignments/assessments that need to be worked on

CTF Outcomes

These are the areas we will be focusing on as a class.

Outcome # 1: I communicate my learning.

Outcome # 2: I describe how my actions affect learning.

Outcome # 3: I appraise skills and technologies I use in response to challenges.

Evaluation

Excelling: Student applies skills and strategies in new learning situations and demonstrates exemplary performance in relation to the outcomes

Proficient: Student demonstrates strong performance in relation to the outcomes and has a solid understanding of knowledge and skills.

Satisfactory: Student demonstrates adequate performance in relation to the learner outcomes

Beginning: Student demonstrates basic performance in relation to the learner outcomes

Limited: Student demonstrates limited performance in relation to the learner outcomes

Students will be expected to complete daily assignments, projects and tasks. Students will be assessed on attitude and work habits within the classroom.
